West Sussex County Council
((Worthing) (Parking Places & Traffic Regulation) (Consolidation) Order 2007)

(Various Roads: Waiting Restrictions Amendment) Order 2026

NOTICE is hereby given that West Sussex County Council proposes to make a permanent Traffic regulation Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to amend parking restrictions in Worthing as follows:

Richmond Road: to relocate the bus stop on the northern side of the road outside Worthing Library to a new position west of its present location and to alter the layout of the current parking places to accommodate this change.

Brighton Road (A259): to extend the length of an existing bus stop on the southern side of the road, immediately east of its junction with Merton Road; to reduce the length of an existing parking bay on the northern side of the road immediately west of its junction with Navarino Road to accommodate a relocated bus stop; and prohibit waiting loading and unloading at any time at its junction with York Road.

York Road: to prohibit waiting, loading and unloading at any time at its junction with Alfred Place.

Brougham Road: to extend double yellow lines on the north side of the road east of its junction with Brookdean Road.

George V Avenue: to install an extended formalised parking bay for disabled blue badge holders on the eastern side of the road, north of its junction with Goring Road.

Full details of the proposals in this notice can be viewed on the Traffic Regulation Order page of the [West Sussex County Council website](#). The website includes a response form for any comments or objections.

People without access to a computer who wish to view details of the scheme should telephone the West Sussex County Council Contact Centre on 01243 642105 to receive the documents by post.

Any comments or objections about the proposal must be received before 9 July 2026. These may be submitted via the response form on the website mentioned above, by e-mail to tro.consultation@westsussex.gov.uk or in writing to TRO Team, West Sussex County Council, The Grange, Tower Street, Chichester, PO19 1RH. For legal reasons, only correspondence including a full name and address will be considered. Please quote reference WOR8037-MM in all correspondence.

Dated this 18th day of June 2026.

Executive Director of Law, Assurance & Insight, County Hall, Chichester.

West Sussex County Council
((Worthing) (Parking Places & Traffic Regulation) (Consolidation) Order 2007)

(Various Roads: Waiting Restrictions Amendment) Order 2026

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will amend parking restrictions in Worthing as follows:

Richmond Road: to relocate the bus stop on the northern side of the road outside Worthing Library to a new position west of its present location and to alter the layout of the current parking places to accommodate this change. The new location for the bus stop will allow buses to pull into the kerb more easily than the present layout, improving access for bus passengers and reducing congestion to through traffic.

Brighton Road (A259): to extend the length of an existing bus stop on the southern side of the road, immediately east of its junction with Merton Road. Extending the length of the bus stop will make it easier for buses to pull into the kerb.

Brighton Road (A259): to reduce the length of an existing parking bay on the northern side of the road, immediately west of its junction with Navarino Road to accommodate a new buildout feature and relocated bus stop. Presently a bus stop is located within a parking bay mid-way between Windsor Road and Navarino Road. This will be relocated to a new location on a build out nearer the junction of Navarino Road and the existing parking bay extended over the location of the current bus stop.

It is also proposed to convert an existing length of double yellow line at the junction of Brighton Road with York Road to a restriction prohibiting waiting, loading and unloading at any time. Vehicles waiting on the existing double yellow lines to load cause obstruction and it has been reported that this has resulted in ambulances being unable to access the road in an emergency. A similar restriction is proposed at the junction of York Road and Alfred Place for the same reason.

Brougham Road: to extend double yellow lines on the north side of the road east of its junction with Brookdean Road to improve access to the bus stop at this location.

George V Avenue: to install an extended formalised parking bay for disabled blue badge holders on the eastern side of the road, north of its junction with Goring Road. There is presently an informal bay for disabled blue badge holders at this location. The opportunity is being taken to increase its size to accommodate two cars and formalise the restriction to ensure it is not misused.

The new order is therefore proposed to facilitate the passage of traffic and improve the amenities of the area through which the affected roads run.

The attached drawings, numbered TQ1202NEN, TQ1402NEN, TQ1502NES, TQ1502NWS, TQ1602NWN and TQ1603SES show the lengths of roads affected by the proposed order.

Executive Director of Law, Assurance & Insight
