**WEST SUSSEX COUNTY COUNCIL**  
**((CHICHESTER DISTRICT) (PARKING PLACES & TRAFFIC REGULATION)**  
**(CONSOLIDATION) ORDER 2010)**  
**(CHICHESTER & SELSEY VARIOUS ROADS BSIP AMENDMENT) ORDER 202\***

**STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER**

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to:-

- (i) extend the length of prohibition of waiting at any time (double yellow lines) on the east side of Whyke Road, Chichester north of the junction with Quarry Lane by 15m; and
- (ii) extend the length of double yellow lines on the south side of East Street, Selsey between Croft Road and Otard Close; and
- (iii) introduce a 9m length of double yellow lines on the south side of East Street, Selsey from a point 21m east of the double yellow lines at the junction with Croft Road; and
- (iv) extend the lengths of double yellow lines on Church Road, Selsey east of the junction with High Street on the north side by 14m and on the south side by 43m.

As part of the County Councils approach to bus service provision a number of bus stop improvements are being proposed. These proposals require changes to existing waiting restrictions with the introduction of new lengths of double yellow lines.

The change in Whyke Road, Chichester is to extend the existing double yellow lines on the east side at the junction with Quarry Lane by 15m northwards to ensure the buses can access the new bus cage.

There are 2 changes to waiting restrictions on the south side of East Street, Selsey. The first is to extend the existing double yellow lines near the Fisherman's Joy by 12m. This will ensure the buses can access the bus cage. The layby is being removed to enable the footway to be widened.

The second change introduces a short 9m section of new double yellow lines outside Seal Primary School.

The change in Church Road, Selsey is to extend the existing double yellow lines on both sides of the road. This is because parked vehicles at this location are making it very difficult for a bus to manoeuvre and travel through this section of the route.

The Order is proposed to avoid danger to persons or other traffic using the roads or for preventing the likelihood of any such danger arising and to facilitate the passage on the road of any class of traffic (including pedestrians).
