WEST SUSSEX COUNTY COUNCIL
(SLINFOLD: A29 STANE STREET)
(50MPH SPEED LIMIT) ORDER 202*

Statement Of Reasons For Proposing To Make The Order

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, proposes to introduce a permanent Order under the provisions of the Road Traffic Regulation Act 1984, Order the effect of which will be to reduce the speed limit to 50mph on the A29 Stane Street, from the A281 Guildford Road to a point 800 metres north of the Five Oaks roundabout junction.

The A29 through Slinfold is currently de-restricted. There are a number of accesses to business parks and residential properties along the route and there have been a number of road traffic incidents in recent years. In early 2024 a lower speed limit was introduced in Five Oaks with a 40mph buffer introduced on the three approaches. Slinfold Parish Council have submitted an application for a 50mph speed limit on the A29 through Slinfold village from the 40mph buffer north of Five Oaks to the A281 Guildford Road to address concerns about traffic speeds.

The West Sussex Speed Limit Policy states that assessing a road for an appropriate speed limit in West Sussex includes taking the following into account:

- Functional hierarchy of the route
- The length of the route to be subject to the speed limit
- Road Traffic Collision history
- Traffic speeds (speed assessment)
- Other means of intervention to improve road safety.

The application has been assessed in line with the above policy.

There have been 2 fatals, 1 serious and 1 slight injury road traffic incidents in the last 3 years. It is considered appropriate to introduce a 50mph speed limit on this length of road.

Lowering the speed limit aims to reduce the likelihood and severity of incidents. The restriction will be supported by repeater signs throughout ensuring vehicles are reminded of the speed limit.

This Order is proposed so as to avoid danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising and for facilitating the safe passage of any class of traffic (including pedestrians).

Drawing HOR2409 Slinfold – A29 Stane Street proposed speed limit (07. 10.2024) shows the length of road, which is the subject of the proposed order.
