Introduction

This Appendix lists the oversubscription criteria for all schools in the North of the county which do not use the West Sussex County Council standard oversubscription criteria for Community and Voluntary Controlled schools (which is explained in the booklet). It includes all North Church Voluntary Aided Schools, Foundation Schools, Free schools, Academies as well as Community and Voluntary Controlled schools which use variations of the standard West Sussex County Council oversubscription criteria.

Where a school was oversubscribed in September 2025 the number of places offered in each category are listed beside the criteria. For oversubscribed schools the total number of places offered, together with the criteria and distance of the last place offered, is shown at the bottom of the oversubscription criteria.
