

Junior Children in Care Council

Our workplan 2025/26:

1

SOCIAL WORKERS

We would like to see less changes with our social workers, visits more fun and keeping promises

2

MONEY AND SAVINGS

Please make sure we have money and savings for our future

3

IMPORTANCE OF PETS

Its important to have pets if we want them. They make us happy and calm

4

SLEEPOVERS

We should be able to decide more about having sleepovers with our friends

5

WHAT BEING IN CARE MEANS

More awareness about being in care means, more done in schools to help others understand

6

DECISIONS MADE

Our foster carers should be able to make more decisions with us, rather than asking the social workers (like the little things)
