Campaign work	Groups split off into individual campaign groups: Youth Safety, Youth Equity, Education and Environment.	
Education	They planned out their videos they may possibly create for social media. They brainstormed and landed on MenCap and Mind as two charities they would like to include as part of their campaign.	Frank and Viola

Youth Equity	They have almost finished their manifesto. They are working on an event for Pride Month and are discussing having a trip tailored towards members of the LGBT+ community and allies to help raise awareness of the history on members of the LGBT+ community.	Amberly
