**(Littlehampton: Connaught Road and Queens Street Amendment) Order 2025**

NOTICE is hereby given that West Sussex County Council proposes to make two permanent Traffic regulation Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be as follows:

The first proposed Order would prohibit driving on Connaught Road in Littlehampton from its junction with Queens Street, eastwards to the eastern end of the road. The restriction would also apply to a short section of Queens Street from the southern kerbline of the western limb of Connaught Road, southwards to the southern end of the road. The restriction would operate from 0800 to 0930 and from 1430 to 1600 Mon-Fri with exceptions for access. The restriction enacts a 'School Street' on the affected lengths of roads.

The second proposed order would prohibit waiting at any time (introduce double yellow lines) on the northern side of Connaught Road from its junction with Queens Street eastwards to the existing 'School Keep Clear' marking. The restriction would also extend northwards along the eastern side of Queens Street for 6m.

Full details of the proposals in this notice can be viewed on the Traffic Regulation Order page of the [West Sussex County Council website](#). The website includes a response form for any comments or objections.

People without access to a computer who wish to view details of the scheme should telephone the West Sussex County Council Contact Centre on 01243 642105 to receive the documents by post.

Any comments or objections about the proposal must be received before 27 February 2025. These may be submitted via the response form on the website mentioned above, by e-mail to [tro.consultation@westsussex.gov.uk](mailto:tro.consultation@westsussex.gov.uk) or in writing to TRO Team, West Sussex County Council, The Grange, Tower Street, Chichester, PO19 1RH. For legal reasons, only correspondence including a full name and address will be considered. Please quote reference ARN8012-MM in all correspondence.

Dated this 6th day of February 2025.

**Statement of Reasons for Proposing to Make the Order**

West Sussex County Council proposes to make two permanent Traffic Regulation Orders the effect of which will be as follows:

The first proposed Order would prohibit driving on Connaught Road in Littlehampton from its junction with Queens Street, eastwards to the eastern end of the road. The restriction would also apply to a short section of Queens Street from the southern kerbline of the western limb of Connaught Road, southwards to the southern end of the road. The restriction would operate from 0800 to 0930 and from 1430 to 1600 Mon-Fri with exceptions for access.

The second proposed order would introduce double yellow lines on the northern side of Connaught Road from its junction with Queens Street eastwards to the existing 'School Keep Clear' marking. The restriction would also extend northwards along the eastern side of Queens Street for 6m.

As part of the Government's Active Travel Fund initiative, the County Council is developing School Streets to promote active travel to schools. A 'school street' improves safety by preventing traffic from using roads at the entrance to schools during school pick-up and drop-off times. More information about the project is available via the link below:

Riverbeach Primary School has been selected as part of this programme and highway improvement works are expected to begin in the February half term. This consultation therefore concerns the timing of the proposed prohibition of driving restriction and layout of associated parking restrictions remains subject to consultation. The Order would prohibit access for general traffic during its operative times, but allow access for residents at all times.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road.

The attached drawing, numbered TQ0202SEN shows the lengths of roads affected by the proposed new parking restriction. The drawing titled TRO Restriction Extends shows the length of road on which driving would be prohibited.
