Minutes

Item	Feedback and Updates
Welcome	The Cabinet was welcomed by the chair and we discussed how our month has been
Housekeeping	Train tickets: Please request them at least 2 weeks before our next meeting and when requesting please ensure you say which station you are departing from!! Meeting place: Please enquire if your parents/careers are happy with you continuing to travel to Chichester during the winter months or if it would be preferred for meetings to be taken place online!
Campaign work	Groups split off into individual campaign groups: Youth Safety, Youth Equity, Education and Environment.
Education	They sent off all the emails involving the Model UN and have assigned each member of the campaign a topic to research and write articles about. This month they will each make a short informative video about their topics! They have begun planning podcasts, involving black history month, an introduction to the Education&Oppourtunitues campaign and another about choosing GCSE and A-levels!
Environment	They have made a script to record next meeting. They have a draft created to send to a West Sussex Cabinet Member for Environment and Climate Change. They are also looking forward to do a beach clean soon and that draft is ready to be send off when permission is given!
Youth Safety	They recorded a podcast for Black History Month, this has been edited and sent off for review. They also have made final amendments to the Knife Crime Safety Powerpoint which will be checked and sent off to schools! A script was also created for this! They also developed a hate crime awareness video!
Youth Equity	They have finished the Black History Month Survey; this has been sent to be proof-checked and then will make its way to the public! They have also began looking at what they can do for Islamophobia Awareness Month! They have finished their social media posts for Black History Month which will be sent out very soon!!
Conclusion	Next Months meeting place is TBC!!
Next Meeting: November 2nd 2026 Location: TBC
