West Sussex County Council
(Angmering: Dappers Lane) (20 MPH Speed Limit) Order 2024

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will introduce a 20 MPH speed limit on Dappers Lane in Angmering, from its junction with Arundel Road, southwards to the northern end of the existing 30 MPH speed limit 435m north of Merryfield Crescent.

The restriction is proposed in response to a community Traffic Regulation Order application submitted to the Council which requested a reduced speed limit at the northern end of Dappers Lane due to the narrow nature of the road and its use by vulnerable road users such as cyclists, walkers and equestrians.

Dappers Lane has a one-way traffic restriction at its northern end which prevents the use of the road southbound by motor vehicles but permits travel in either direction by cyclists. This end of the road has no footways and is also frequently used by equestrians in both directions. Visibility is limited due to bends in the road and the application requested that the speed limit be reduced from the present unrestricted 60 MPH to 20 MPH to improve safety.

The route was assessed against the WSCC speed limit policy which considers the most appropriate speed limit for roads based upon current traffic speeds, the use of the road by vulnerable road users and the safety history. This assessment confirmed that the road qualifies for a 20 MPH speed limit as requested.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road.

The attached drawing, numbered ARN2304 shows the length of road affected by the proposed order.
