West Sussex County Council
(Bersted and Aldingbourne)
(Shripney Road (A29): Restricted Road and 30 MPH Speed Limit)
(Shripney Lane: 20 MPH Speed Limit) and
(Various Roads: Speed Limit Consolidation) Order 2025

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will introduce a 30 MPH speed limit on Shripney Road (A29) in Bersted from a point 200m south of its junction with Shripney Lane, northwards to a point 270m south of its junction with Sack Lane.

The Order also introduces a 20 MPH Speed limit on Shripney Lane in Bersted from its junction with Shripney Road (A29) westwards for 660m.

The proposed speed limits are part of a scheme to improve pedestrian safety through the village of Shripney. The 20 MPH speed limit on Shripney Lane will improve safety for vulnerable road users such as walkers on a road with no footways and the 30 MPH speed limit on Shripney Road (A29) will improve safety for pedestrians crossing the road.

The Order also consolidates existing speed limits on Shripney Road (A29) in Aldingbourne and Bersted to ensure the adjoining speed limits are correctly enacted following the introduction of the new 30 MPH speed limit through Shripney. The opportunity is also being taken to consolidate the existing 40 MPH speed limit on Rowan Way for housekeeping purposes.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road and to preserve the character of the road where it is especially suitable for persons on horseback or on foot.

The attached drawing, numbered ARN8015 shows the lengths of roads affected by the proposed order.
