WEST SUSSEX COUNTY COUNCIL
(HARTING: B2146, & VARIOUS ROADS)
(20MPH, 30MPH AND 40MPH SPEED LIMIT) ORDER 202*

Statement Of Reasons For Proposing To Make The Order

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order, the effect of which will be to introduce:-

- (i) a 20mph speed limit on lengths of the B2146 Park Road, South Gardens and The Street, Culvers, Elsted Road, The Hop Garden, New Lane, North Lane, Pease Croft, South Acre, Tipper Lane and Warren Side and
- (ii) a 30mph speed limit on lengths of the B2141 Harting Hill and B2146, and
- (iii) a 40mph speed limit on a length of the B2146

A community highway scheme is being progressed that looks to improve road user safety for residents and visitors to Harting village and improve access to the two main recreational areas. The proposed speed reduction aims to make more journeys within the village walkable and provide safer connectivity on foot or by bike to the South Downs Way and public rights of way around the village.

As part of the scheme it is proposed that the speed limit in the centre of South Harting is reduced from 30mph to 20mph. The 20mph speed limit will apply on all roads within the village centre.

The scheme has been designed with a 30mph buffer zone on the northbound approach to the village and a 40mph buffer zone on the eastbound approach to the village.

To aid compliance with the 20mph speed limit the design includes speed reducing measures. These are, sets of roundels in addition to repeater signage and speed indicator devices.

This Order is proposed so as to reduce danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising and for facilitating the safe passage of any class of traffic (including pedestrians).

Drawing CHI8013: South Harting Proposed Speed Limit (04.06.2024) shows the lengths of roads, which are the subject of the proposed order.
